

2011 Weinstein Award to Bill and Lori Lewis

The Glenbard South Boosters were pleased to announce 2011's recipients of the Jerry Weinstein Memorial Award as Bill and Lori Lewis. Each year, the Weinstein Award is presented to individuals who exemplify commitment and dedication to Glenbard South as memorialized by Jerry Weinstein, the first Boosters president.

The Weinstein Award was presented at halftime of the varsity homecoming football game on Friday, September 23, 2011.

Bill and Lori have two children who attended Glenbard South from 2001 to 2008. Billy is a graduate of the University of Illinois and Katy is a senior at Northern Illinois University. During the Lewis' time at Glenbard South they both served on a variety of committees, including co-chairing the Booster Barbeque and concessions for the 3-on-3 basketball tournament. Lori served on the Booster Board for two terms as co-second vice president and two terms as secretary. She also co-chaired the spring luncheon and fashion show for four years and could not have done it without Bill's loving support.
