

2013 Weinstein Award: Honoring the McKears

During halftime of the Glenbard South Homecoming football game on September 27, 2013 Principal Sandra Coughlin presented the Weinstein Award to Diane and Jim McKean.

The McKears joined the Boosters in 1999 and served on various committees throughout the next 10 years, including chairing the Booster BBQ, serving as secretary on the CAC, working concessions, volunteering at Young Hearts for Life, organizing the Pancake Breakfast, chairing the Crosstown Kick Off Classic Football event and chairing the 50/50 Split the Pot raffle.

The McKears were also members of the Young Life Northwest DuPage Glenbard South adult committee for several years and supported the efforts to raise funds for the lights on the football field, the baseball batting cage and the expansion of the weight room. Throughout their many years of service, the McKears demonstrated a high level of integrity, enthusiasm and support for Glenbard South students and the community.
