

## **2016 Weinstein Award Winners – Anne Bouchard and Cindy Christensen**

During halftime of the Glenbard South football game on October 21, 2016, Glenbard South Principal Sandra Coughlin and Andrea Leppert, secretary of the Glenbard South Boosters, presented the Weinstein Memorial Award to Cindy Christensen and Anne Bouchard. Each year, this award is presented to individuals who exemplify commitment and dedication to Glenbard South as demonstrated by Jerry Weinstein, the first Booster president.

Cindy Christensen's three daughters graduated from Glenbard South. Christensen joined Bouchard's parent group to start Insomnia, a new format for a fun, affordable post-prom event. Under their leadership, the Post Prom Committee established a dedicated fund-raising event so that after a five-year hiatus, post prom could return to Booster oversight in 2016 without any financial burden.

Christensen was:

- A member of the Citizens' Advisory Committee from 2007 to 2013, vice chair from 2008-2012
- CAC Healthy Breakfast volunteer coordinator from 2009 to 2013
- Member of district-wide ACTS Committee from 2008 to 2013

Christensen is in her sixth year as a community member on the Glenbard District 87 Board of Education Policy Committee.

Bouchard, who has two children, joined the Boosters in 2004 and has served on several Booster committees, including athletic programs, Booster BBQ, Crosstown Classic, and Floral Symphony. Bouchard and her husband also hosted the Fall Parent Social a couple of times. Bouchard served as the Booster secretary from 2007-2009, and as Booster president from 2009-2011.

In 2011, Bouchard and Christensen served as co-chairs of the new post-prom event.

In 2004-05 Bouchard served on a district-wide steering committee dedicated to educating the public about the Glenbard District 87 referendum. Bouchard also served on:

- ACTS Committee (Advocating Character Through Service) from 2006-2012
- GIVS Committee (Glenbard Instructional Volunteer Senior-Leaders) from 2007-2012.

Bouchard continues to volunteer, driving numerous speakers with the Glenbard Parent Series (GPS).
